1. Declaration of fitness and propriety

Before the licensing authority can grant a licence, it must determine whether the applicant is a fit and proper person as defined in section 20 of the Housing (Wales) Act 2014.

For this purpose, you must declare if any of the following apply to you, or anyone associated or formerly associated with you (whether on a personal, work or other basis relevant).

(a) committed any offence involving:

- i. fraud or other dishonesty,
- ii. violence, firearms or drugs
- iii. any offence listed in Schedule 3 to the Sexual Offences Act 2003 (offences attracting notification requirements),

(b) practised unlawful discrimination or harassment on the grounds of any characteristic which is a protected characteristic under section 4 of the Equality Act 2010, or victimised another person contrary to that Act, in or in connection with the carrying on of any business

(c) contravened any provision of the law relating to housing or landlord and tenant such as:

- i. Unlawfully evicted a tenant
- ii. Been refused a House in Multiple Occupation licence or other licence under the Housing Act 2004
- iii. Had a licence revoked for breach of any conditions under the Housing Act 2004
- iv. Been subject to a Management Order under the Housing Act 2004
- v. Failed to comply with a Housing Notice (requiring works) served by a local authority
- vi. Been subject to complaints from tenants or other sources, regarding serious or repeated breaches of the conditions of a licence under the Housing Act 2004.

I confirm none of the above apply to me, or anyone associated or formerly associated with me (whether on a personal, work or other basis)

If any of the above apply, you are required to provide relevant supporting information below to explain why. The information provided will be assessed by Rent Smart Wales. Issues highlighted will not necessarily prevent you from being licensed; evidence is assessed on a case by case basis. **If you have unspent convictions please provide a data barring service certificate (dated within the last month) with your application.**

Rent Smart Wales reserves the right to ask you for further information to assess your application, and the right to gather additional information including criminal history from regulatory bodies such as local authorities and the police when appropriate. Information gathered in this way may be taken into account when determining a licence application.

Note that spent convictions do not regularly need to be declared in line with the Rehabilitation of Offenders Act 1974. However, certain spent convictions may need to be declared upon request, as outlined in the Rent Smart Wales Collection and Use of Conviction Information Guidance, available on the website. The licensing authority will consider spent convictions where they are relevant to letting and management of properties in Wales.

When providing offence details, please specify the court and the date of the conviction.

2. Declaration of truth

I/we declare that the information contained in this application is correct to the best of my/our knowledge. I/we understand that I/we commit an offence if I/we supply any information to the licensing authority in connection with any of its functions under Part 1 of the Housing (Wales) Act 2014 that is false or misleading and which I/we know is false or misleading or am/are reckless as to whether it is false or misleading.

Section 7 - Guidance

To support page 1

Applying as a company, charity or trust

If you are applying on behalf of a formal entity, such as a company, charity or trust, you must ensure that the person completing the form has significant responsibility for the entity. A company director should complete the form on behalf of a corporate body, a lead trustee if applying as a trust and a senior member of the charity if applying as a charity.

To support page 2

Principal user

As part of your application, you must designate a user as a 'principal user'. It is important that this user is a Director or lead trustee, as this user will have additional permissions to allow them to amend the licence application and profile. This user must have a user account with Rent Smart Wales and be suitably trained and connected to the licence.

Rent Smart Wales can only discuss account specific matters with a 'principal user'. You may therefore decide to designate multiple principals.

The principal person must be someone with the authority to confirm that both they, and anyone else connected or associated with the business, do not have matters to declare in the Fitness and Propriety declaration, such as relevant convictions.

The principal person will be responsible for administering the account, therefore should the principal person leave the business, they must first designate a new principal person(s) to maintain control of the licence application and profile.

Company registration number

For a Corporate Body this is the registration number given by Companies House and for a charity, this is the registration number issued by The Charity Commission.

Staff / connected persons

The licensing legislation requires all 'connected persons' of a landlord applicant to be trained for the applicant to be licensed. The definition of a connected person in the legislation is:

a person doing things under a contract of service or apprenticeship with an applicant for a licence where the applicant for a licence is the landlord and the person does any of the things listed in:

- i) section 6(2) (requirement for landlords to be licensed to carry out lettings activities) of the Act; and
- ii) section 7(2) (requirement for landlords to be licensed to carry out property management activities) of the Act

Generally speaking a person under a contract of service is a staff member who you pay a salary to or who is an 'employee' for payroll purposes. People you pay for the services they provide (e.g. contractors) or people you instruct to act on your behalf are not counted as 'connected persons' and they do not have to be trained in order for you to obtain a licence.

Training options and evidence

An applicant and all relevant connected persons must undertake approved training either delivered by Rent Smart Wales directly or through an authorised provider.

If you have completed training with an authorised provider, you should enclose the certificates as part of your application submission.

The requirements for training differ, depending on whether you have completed a first time licence course in the past. If not, the person needs to complete Landlord Licence Training.

If yes, the person can either:

- 1) repeat the first-time **Landlord/Agent Licence Training** - within 1 year before submitting a renewal application; OR
- 2) complete **Re-licensing Training** - within 1 year before submitting a renewal application; OR
- 3) complete **Continued Professional Development (CPD)** training modules over the 5 year period prior to licence application submission (60 points are needed for a landlord licence)

Licence fees

The licence fee required with your application varies depending on your circumstance. If you are applying for your initial Rent Smart Wales licence, or you are renewing an existing licence less than 42 days before its expiry, your licence application fee is £223. If you are renewing your existing Rent Smart Wales licence 42 days or more before the expiry of your licence, your licence application fee is £200.70.

Split fees: It is also possible to split your licence application fee in two parts. Payment one is due prior to submission, and payment two is required when the licence has been processed and is ready to be granted. This option will incur an additional administration fee of £39.

For a **new licence or renewing a licence less than 42 days before expiry** part one payment is £196 and part two is £66.

If you are applying to **renew your licence early (42 days or more before expiry)** part one payment is £180 and part two is £59.70.
