Neges gan ein noddwyr: Mae chwarter cyntaf 2017 wedi bod yn debyg iawn i chwarter olaf 2016. Mae'r farchnad eiddo'n fywiog iawn ac mae'r ffigyrau gwerthu a rhentu a rheoli eiddo yn uwch nag erioed.

Mae Property Plus yn fusnes rhyngwladol, sydd â chleientiaid mor bell i ffwrdd â Seland Newydd, Awstralia, Singapore, ac amrywiaeth o wledydd eraill o bedwar ban byd sydd wedi dewis manteisio ar ein gwybodaeth a'n harbenigedd mewn perthynas â'r diwydiant eiddo. Rydyn ni wedi meithrin yr wybodaeth yma ar ôl buddsoddi'n llwyddiannus a rheoli portffolios eiddo gwerth miliynau o bunnoedd. Mae'r mwyafrif o'n cleientiaid yn deillio o atgyfeiriadau gan ein cleientiaid llwyddiannus, bodlon presennol.

Mae gennym ni bartneriaethau o fewn awdurdodau lleol sydd â nodau hir dymor o ddarparu safonau byw gwell i'r tenantiaid. Rydyn ni'n cynnig cefnogaeth a chymorth o safon uchel i'n Landlordiaid a'n Tenantiaid trwy gydol y denantiaeth a thu hwnt.

Rydyn ni wedi derbyn dros 2,500 o geisiadau gan denantiaid yn ystod y 4 mis cyntaf yn unig, a dyma'r nifer mwyaf erioed. Mewn nifer o ardaloedd, mae'r gofyn am eiddo'n fwy na'r cyflenwad. O ganlyniad i hyn, mae'r rhestrau aros yn hirach.

Mae gofynion sydd wedi'u gosod ar landlordiaid newydd yn cynnwys deddfau treth a thrwyddedu newydd. Mae hyn yn golygu bod dod o hyd i'r tenant cywir yn bwysicach nag erioed. Y bwriad o hyd yw dod o hyd i'r tenant cywir, nid y tenant cyntaf i wneud cais. Bydd tenant da yn edrych ar ôl yr eiddo ac yn talu'r rhent yn brydlon bob mis.

Os ydych chi'n landlord sydd wedi penderfynu ei bod hi'n amser i werthu'ch eiddo, neu pe hoffech chi fuddsoddi mewn eiddo a dod yn landlord - cysylltwch â Property Plus. Mae carfan Property Plus yma i'ch helpu chi a'ch busnes. Mae ein llwyddiant ni'n dibynnu ar lwyddiant ein cleientiaid.

Message from our sponsors:

The first quarter of 2017 started as 2016 ended - with record highs and a buoyant property market for both the sales side as well as the rental and property management.

Property plus has truly become an international business with clients from as far removed as New Zealand, Australia, Singapore and various other countries around the world who have chosen to use our expertise and knowledge within the property industry. This knowledge has been acquired by successful investing and managing multimillion pound property portfolios, with most of our new clients coming from referrals made by our existing successful and satisfied clients. We have active partnerships within local authorities where the long term goals are to provide better standards of living for tenants. We offer high levels of service and support for both Landlord and Tenant throughout the tenancy and beyond. Tenant applications have exceeded 2,500 in the first 4 months alone and are at an all time high. Indeed in many areas demand outstrips

supply and waiting lists for properties are getting longer.

Current demands imposed on new landlords include new tax and licensing laws to name but a few and this means that finding the right tenant has never become more important. The aim is to always find the right tenant and not the first tenant that comes along. A good tenant will look after the property and pay the rent on time every time.

If you are an existing landlord who has decided that it is now time to sell your property or portfolio or if you would like to invest in property and become a landlord then look no further than Property Plus. Our team at property plus are here to help you and your business: because our success is built on the success of our clients.

“Raising the standards of rented accommodation and supporting good landlords to attract and retain tenants”

The Treforest Property Accreditation Scheme has been introduced as a means of raising the standards of rented accommodation and supporting good landlords to attract and retain tenants.

Tylorstown Housing and Health Action Area

The role that housing can play as a catalyst to improve health and wellbeing is well documented. Where we live impacts not only on our wellbeing but also our relationships and overall life chances. Poor quality housing often leads to ill health while accidents in the home cost the NHS millions of pound a year in treatment costs.

The Housing and Health Action Area approach has been developed as a means of addressing the risks of poor quality accommodation and safeguarding the health and wellbeing of both tenants and owner occupiers within a specific community. The scheme was first implemented in Tylorstown in February 2015.

*“Improving the living
standards of 123
households in
Tylorstown”*

The key aims of the Housing and Health Action approach are to:

- Reduce the number of category 1 and 2 hazards, in relation to:
 - *Excess cold*
 - *Damp and Mould*
 - *Trips and falls*
- Reduce the number of empty properties in the area
- Enable tenure balance and promote sustainable communities
- Improvement in health and wellbeing.

Every home in the Housing and Health Action area is entitled to a **FREE** “Healthy Homes” check which focuses on improving the overall health and safety of the property. Tenants of surveyed properties are provided with a **FREE** “Healthy Homes Pack” containing advice, information and goodies worth over £40.

The scheme has been instrumental in improving the living standards of 123 households in the Tylorstown area, through measures such as free energy efficient boilers and the removal of potential hazards in both the private rented and owner occupier sectors.

Did you know that the Council also provides an Energy Advice Service which may help your tenants save money on energy bills by helping them with energy debts and changing tariffs. This in turn can have an impact upon them sustaining their tenancy for longer and also help with homes that are currently under-heated and the subsequent impact of this with property conditions.

Advice is also offered on condensation and mould problems and helping tenants with lifestyle factors that can influence these. We can also help identify tenants that may also be eligible for further grant assistance for energy efficiency measures.

Mae bron 5 mlynedd wedi mynd heibio ers lansio Cynllun Troi Tai'n Gartrefi. Dyma gyfle da i roi enghreifftiau o lwyddiant y Cynllun. Lansiodd Llywodraeth Cymru Gynllun Benthyciadau Eiddo Gwag 'Troi Tai'n Gartrefi' yn 2012, gan gyhoeddi buddsoddiad o £5 miliwn yng Nghymru. Cynyddodd y ffigwr yma i £10 miliwn ar ôl nodi llwyddiant potensial y Cynllun.

Yn Rhondda Cynon Taf, rydyn ni wedi rhoi benthyciadau gwerth £1,700,000 gan greu dros 75 o adeiladau llety wedi'u hadnewyddu. Bydd modd i bobl eraill a'u prosiectau newydd fanteisio ar fenthyciadau wedi'u had-dalu o dai sydd wedi'u hadnewyddu yn barod. Dyma'r rheswm pam mae'r Cynllun yn ffynhonnell reolaidd o arian i ddatblygwyr newydd ac i'r rheiny sydd wedi dychwelyd i'r byd datblygu tai.

Unwaith i'r eiddo gwag yma gael eu hadnewyddu a'u defnyddio eto ac i'r benthyciad gael ei ad-dalu, bydd modd i bobl eraill fanteisio ar yr arian wrth iddyn nhw adnewyddu tai gwag eraill.

Os oes gennych chi ddi-ddordeb mewn gwneud cais am fenthyciad di-log i adnewyddu tŷ, cysylltwch â'r Swyddog Cartrefi Gwag, a fydd yn trafod eich prosiect gyda chi.

Crynodeb o'r cynllun benthyciadau:

- Rhaid i'r eiddo fod yn wag ers chwe mis neu'n fwy.
- Benthyciad di-log hyd at uchafswm o £25,000 fesul adeilad tuag at gostau adnewyddu.
- Cyfnod ad-dalu 3-5 o flynyddoedd os yw'r eiddo i'w rentu. Cyfnod ad-dalu 2 flynedd os yw'r eiddo ar werth.
- Mae modd i unigolyn neu gwmni fenthycia uchafswm o £250,000 ar unrhyw adeg, e.e. er mwyn adnewyddu 10 uned.
- Does dim modd i fenthyciad fod yn uwch na 80% o werth y farchnad yn bresennol, gan gynnwys morgais presennol.
- Mae'r benthyciad yn cael ei warantu fel ffi yn erbyn eiddo. Bydd y ffi yma yn diflannu unwaith i'r benthyciad gael ei ad-dalu.
- Mae modd gwneud ceisiadau am fenthyciadau er mwyn troi eiddo masnachol gwag yn llety preswyl.

Ar hyn o bryd, mae ceisiadau yn cael eu hystyried ar sail y cyntaf i'r felin ond mae'n bosib y bydd eiddo gwag mewn ardaloedd o alw uchel am dai yn cael blaenoriaeth.

The Houses into Homes Loan Scheme is approaching 5 years since it was first launched so it is a good time to illustrate examples of the success of the scheme. In 2012 The Welsh Government launched the 'Houses into Homes' Empty Property Loan Scheme with the announcement of £5 Million investment in Wales. This was soon increased to £10 Million with the potential success of the scheme identified.

In Rhondda Cynon Taff we have now issued loans to the value of £1,700,000 creating over 75 renovated units of accommodation. Repaid loans from completed renovations are being recycled to new projects therefore the scheme is proving to be a regular source of cash flow for new and returning developers.

Once these empty properties are renovated, returned to use and the loan repaid the money will be recycled to bring other empty homes back into use.

If you are interested in applying for the interest free renovation loan contact the Empty Homes Officer who can discuss the merits of your project.

Summary of the loan scheme:

- The Property must have been empty 6 months or longer.
- Interest free loan up to Max £25,000 per unit towards renovation costs.
- 3-5 year payback if property for rent. 2 year payback if property for Sale.
- An individual or company can borrow Max £250,000 at any one time e.g. renovate 10 units.
- Loan can not exceed 80% of current market value, including current mortgage.
- Secured as charge against property which is removed when loan repaid.

Applications for loans to convert empty commercial properties into residential accommodation can also be considered. At the moment applications are being dealt with on a first come first serve basis, however empty properties in areas of high housing demand may receive preference.
